AMENDMENT

**RECEIVED**

NOV 08 2002

Technology Center 2100

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

This Amendment is submitted in response to the non-Final Office action dated August 13, 2002 in which the Examiner rejected all of the claims in view of prior art.

IN THE CLAIMS

The following is a clean version of the entire set of pending claims. In accordance with 37 CFR 1.121 (c)(1)(ii), attached hereto is a marked-up version of the changes made to the claims by the current amendment. The attached pages are captioned "Version with Markings to Show Changes Made."

*CL*  
*BX*

1. (Amended) A method for performing a clean operation on an input table having an input table name, comprising:

receiving at least one rule definition, wherein each rule definition indicates a find criteria, a replacement value, and an input data column in the input table;
